INTELLECTUAL PROPERTY
ASSIGNMENT

THIS ASSIGNMENT (the "Assignment") by and between PROTEIN EXPRESS, INC., an Ohio corporation ("Assignor"), and PX PHARMACEUTICALS, INC., an Ohio corporation, ("Assignee") is entered into on this 3rd day of December 2004 (the "Effective Date").

WHEREAS, Assignee is a party to a certain Agreement of Merger and Plan of Reorganization (the "Merger Agreement") by and among Assignee, Assignor, XANODYNE PHARMACEUTICALS, INC., a Delaware Corporation ("Xanodyne"), RUTI ACQUISITION, a Delaware corporation wholly owned by Xanodyne ("RUTI") and certain others; and

WHEREAS, Assignor is the owner of all rights, title and interest in and to the inventions, and the corresponding issued United States Patents or pending United States Patent Applications listed in Exhibit A attached hereto; and

WHEREAS, the assignment of said United States Patents and said United States Patent Applications by Assignor to Assignee is a condition precedent to the Merger of Assignee with and into Ruti as contemplated by the Merger Agreement; and

WHEREAS, Assignee is desirous of acquiring the entire, right, title and interest in and to said United States Patents and said United States Patent Applications.

NOW, THEREFORE, for the good and valuable consideration of the \$250,000 Promissory Note attached as Exhibit B, the receipt of which is hereby acknowledged, the Assignor agrees as follows:

1. Patents Rights. Effective immediately, Assignor does hereby sell, assign, and transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said inventions, and said United States Patents and said United States Patent Applications and all divisions, renewals, and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States Patents and said United States Patent Applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof.

2. Further Acts. Assignor agrees to execute all papers and to perform such other proper acts as Assignee may reasonably deem necessary to secure to Assignee or to its designee the patent rights herein assigned.

3. Representations and Warranties by Assignor. Assignor hereby represents and warrants that: (i) Assignor is the owner of all right, title and interest in and to said United States Patents and said United States Patent Applications; (ii) no proceedings have been instituted or are pending or, to the knowledge of Assignor threatened, which challenge any rights with respect to the validity of any of said United States Patents and said United States Patent Applications; (iii) none of said United States Patents and said United States Patent Applications infringe or otherwise violate the rights of others, are being infringed upon by others, or are subject to any outstanding order, decree, judgment, stipulation or charge; (iv) no licenses, sublicenses or agreements granting rights in any of said United States Patents and said United States Patent Applications have been granted or entered into by Assignor; and (v) Assignor has not received any written notice of interference or infringement regarding any of said United States Patents and said United States Patent Applications.

4. Prior License Agreement. The License Agreement, related to U.S. patent application entitled Vaginal Suppository Vaccine for Urogenital Infections, between Assignor and Assignee executed January 15, 1998 is hereby void *ab initio*.

5. Miscellaneous.

a. Headings. The headings in this Assignment are for convenience of reference only and shall not limit or otherwise affect any of the terms or provisions hereof.

b. Governing Law and Jurisdiction. This Assignment and the rights and obligations of the parties hereto shall be governed by and construed and enforced in accordance with the laws of the State of Kentucky, without regard to Kentucky's conflict of laws principles. Assignor and Assignee agree that any legal action involving this Assignment shall be undertaken in the state and federal courts sitting in Boone County, Kentucky, and Assignor and Assignee hereby consent to the jurisdiction and authority of such courts.

c. Assignability. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors, and assigns.

d. Capitalized Terms. Capitalized terms not otherwise defined herein shall have the same meaning as in the Merger Agreement.

e. Entire Agreement. This Assignment and the Merger Agreement constitute the entire agreement of the parties and supersede all other understandings or agreements, written or oral, if any with respect to this subject matter. To the extent that anything in this Assignment conflicts with the Merger Agreement, the Merger Agreement shall control. This Assignment can only be modified or amended in writing executed by Assignor and Assignee or as Assignee's successor, Ruti and Xanodyne.

f. Execution of Assignment. This Assignment may be executed in two or more counterparts, each which shall be deemed an original but all of which shall together constitute one and the same instrument. Facsimile signatures may be relied upon and shall be deemed originals for purposes of effecting the provisions of this Assignment.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the date first written above.
